UNLV/CSUN Preschool

Purpose/Mission

The UNLV/CSUN Preschool is accredited by the National Association for the Education of Young Children. The mission of the UNLV/CSUN Preschool is one of teaching, training and research. The preschool provides a model inclusive early childhood education program that serves children (six weeks to five years of age) of students, faculty, staff and the surrounding community. As the field of Early Childhood Care and Education evolves to meet the growing needs of today's young children and their families, UNLV/CSUN Preschool will continue to play a leadership role in teaching, training, and research at the University of Nevada, Las Vegas. In joint effort with the Department of Educational Clinical Studies, in the College of Education our program's purpose is to promote the physical, intellectual, and emotional growth of young children. We foster self-confidence and a desire to learn while building skills necessary for success in future educational settings.

Schedule

Our Preschool facility is open from 7:30 am – 6:00 pm Monday through Friday. An additional \$5.00 charge will be applied for an approved schedule extension added to your semester plan from 5:30 pm to 6:00 pm. There is a block of time scheduled each morning and afternoon for facilitating the preschool curriculum. Your family is encouraged to bring children for the entire preschool block of time.

Staff

Our staff includes a director, assistant program directors, office manager, administrative assistants, qualified general and special education teachers, UNLV student teaching assistants and CCSD related services personnel (speech language therapist, occupational therapist, physical therapist). Our staff has extensive training and experience in the education of young children, including all state licensing, NAEYC, and UNLV policy requirements.

Food

Lunch is enjoyed from 12:00 pm- 12:30 p.m. Younger toddlers enjoy their lunch from 11:15 am to 11:45 am. This is an important time for social integration. Children who participate in the lunch schedule will need to bring their own food marked with first and last name. Lunches are refrigerated and cannot be heated. We encourage 2 fruits and/or vegetables in the child's lunch. Nutritious varied snacks of fruits, cheese, crackers, and milk are offered at both morning and afternoon snack time. The UNLV/CSUN Preschool is a proud participant in the National Special Milk Program. Our preschool is a non-pricing program. In "Non-Pricing" programs, milk is served to all children at no separate charge apart from tuition.

Families with infants in our program will need to provide all necessary nutrition for their child and discuss feeding schedules with staff. Please inform staff of any food allergies your child may have.

Enrollment

Enrollment for full time (Monday to Friday 7:30am to 5:30pm) is available for UNLV Faculty/Staff and the General Public on a year round schedule only.

Registration for UNLV students includes part and full time slots on the UNLV Academic Calendar (year round schedule optional).

A birth certificate, completed immunization record, and a doctor's certificate of good physical health are required for each child.

Location

Our preschool is housed in the Lynn Bennett Early Childhood Education Center on the UNLV campus.

Designated parking (for drop off and pick-up) for preschool families is located in the parking lot south of the Lynn Bennett Early Childhood Education Center. Special parking permits are provided by the preschool.

Payment Policy

All charges will be made on a two-week advance payment basis. All reserved hours must be paid for whether used or not. Credit for illness, vacation or absences cannot be given. Tuition paid after 5:00pm will incur a late fee of \$10.

Fees

Tuition is due two weeks in advance as posted.

- Late charge—beyond designated closing time — \$ 10.00 for the first 15 minutes and \$1.00 per minute thereafter.
- Schedule change — \$10.00
- Late payment fee — \$10.00
- Registration fee per child year round for Faculty/Staff and General Public— \$125.00
- Registration fee per semester for each child for UNLV Students— \$25.00
- A 30 day withdrawal notice is required and must be signed and dated in the Admin office.

Observation

Throughout the academic year, children may be observed by UNLV faculty members and research and practicum students assigned to the preschool by their professors. Our program monitors these individuals to ensure center policies and procedures are followed. Your family is also welcome to observe our preschool at any time.

Family Participation

Your family is encouraged to become involved in your child's preschool program. Monthly family meetings, assisting in the classroom, and with preschool events are a few suggestions. Your child's classroom teacher may offer other opportunities as well.

Our preschool acknowledges family involvement as an essential component of the total learning process. We recognize the importance of working closely with families and encourage their participation in all aspects of the program.

Philosophy/Curriculum

The UNLV/CSUN Preschool is a comprehensive Early Childhood Education Program. We believe that young children learn best through active, hands-on experiences in a safe, healthy, and nurturing environment.

Our program respects diverse needs, cultures, abilities, and interests in a setting where each child is valued as an individual developing at his/her own rate.

Our cooperative team of professionals promote the development of the whole child—physically, socially, emotionally, and intellectually—through observation, interaction, and well-planned learning activities. Children are provided many opportunities to participate in a balanced daily schedule of individual and small/large group activity-based learning experiences.

Our curriculum is designed to develop and maintain children's positive feelings about themselves and their abilities to imagine, create, and learn. Assessment tools and child portfolios are aligned with the curriculum program.

Daily learning experiences include:

- Process-oriented creative art
- Dramatic play
- Literacy/language arts
- Small and large motor activities
- Pre-academic mathematics
- Socialization and self-help opportunities
- Science/exploration
- Technology
